## **Student Centric Methods Pedagogy**

The highlights of designing of Teaching-Learning Pedagogy used by Academic Counselling Cell of IQAC in the College to enhance learning experience are:

### **Modelling “How to Think About Students”**

**Awareness about Students**

**Planning Learning Pedagogy with Students in Mind**

**Explain Scope and Outcomes to students to engage them actively in the learning process**

**Continuous Feedback and Suggestions from students**

**Give Choices**

**Flexible Curriculum Delivery**

**Bridging the gap between teachers and students**

**Shortening the distance between students and understanding**

**Identification of Slow and Fast Learners**

**Design Differentiated Pedagogies**

**Identify Innovative Instructional Strategies**

**Frame Subject-Specific Student Centric Methods**

**Reach higher levels of Bloom’s Taxonomy**

**Invite Alumni to give evidences of Outcomes of Courses**

**In addition to the conventional Teacher Centric Methods the following Infographic gives some of the Student Centric Methods used as regular practices of Curriculum Delivery in College resulting in Enhanced Learning Experiences of students:**
